

REMARKS

The Applicant has amended the Specification to include the benefit claim of the prior application.

The Applicant has filed this new continuation application so that the Examiner may consider the prior art listed on the enclosed 1449 forms.

A 3-month extension of time has been filed in the parent application in response to the Office Action mailed October 2, 2003, in order for this continuation to be filed during pendency of the prior application.

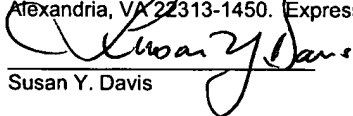

Respectfully submitted,

Susan Y. Davis
